

ReNew

FOUNTAIN CLEANER

Quickly cleans and restores fountains

- ⚡ The strongest fountain and water feature cleaner on the market
- ⚡ Can be used on any make and model of fountain or aquatic feature
- ⚡ Safe for all aquatic life

ReNew quickly cleans and clarifies all types of fountains, bubblers, and water features. It effectively removes debris and algae stains from rocks and basins, whether during regular maintenance or when refurbishing an older feature. Apply the recommended amount of ReNew based on the total water volume. It can be used as a routine maintenance cleaner or as needed when issues arise.

Apply only once a week, avoid overdosing, and ensure the feature runs continuously during application. Do not use other water treatments alongside ReNew applications.
