

SupaClear

POND CLARIFIER

Clears water in 24 to 48 hours

- ⚡ Unique clarifying formula
- ⚡ Creates a healthy environment for fish and plants
- ⚡ Eliminates unwanted aquatic debris
- ⚡ Can be used in ponds containing fish and plants

Don't just clean your pond, SupaClear your pond or water feature. This unique, proprietary formula is engineered to completely clear water within 24-48 hours of application by effectively removing suspended particles and surface debris. SupaClear provides a fast and efficient solution to one of the most significant challenges faced by pond owners.

SupaClear can be used as a routine maintenance clarifier or on an as needed basis when problems arise. Apply **ONLY** once a week. Do not overdose. Keep aeration running continuously during application. Do not use other water treatments in conjunction with applications of SupaClear.
